[REDACTED] In response to a request from [REDACTED] C/WH, I talked to Art Kuhl, Chief Clerk, Senate Foreign Relations Committee, who told me that there are no copies of the transcripts of the open hearings on the ITT question that can be provided for our use. 7. [REDACTED] Received a call from Peter Abbruzzese, Administrative Assistant to Representative Wayne Hays (D., Ohio), concerning a personnel case of an individual who is a grade 13 with 19 years of service. Abbruzzese noted "that it was difficult to believe that an Agency would be terminating an individual who had less than a year to go before retirement eligibility without serious consideration of utilizing his skills in some other position." I told Abbruzzese that from the information available to me, no final determinations have been made in such cases. He asked if I would check the case and keep him advised as to its status.
